WITH US?**

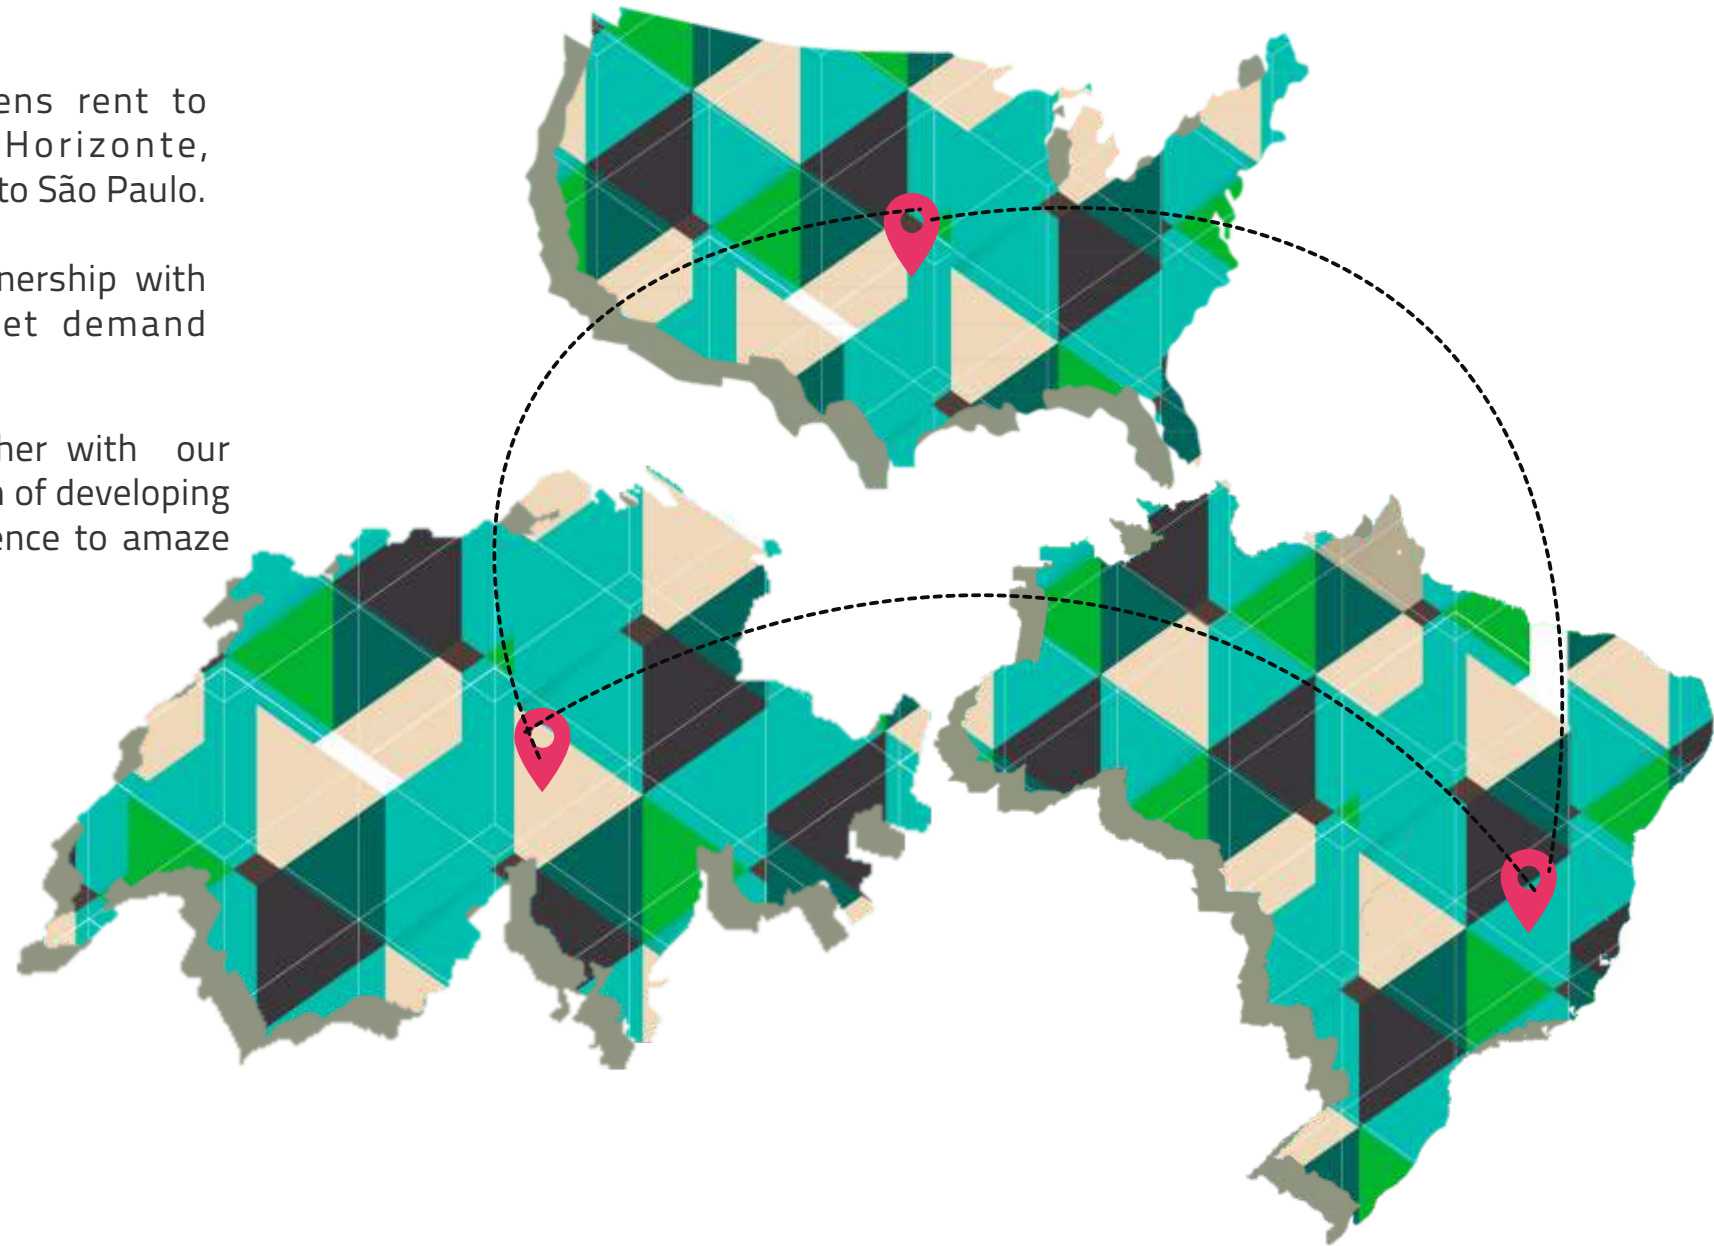

OUR HISTORY

Founded in 2009, we started with the of LED screens rent to festivals, nightclubs, shows, churches in Belo Horizonte, from the second year onwards, we moved our headquarters to São Paulo.

In 2016, we began LED projects in Weston, USA, in partnership with "Bello Group International" in order to meet market demand throughout the eastern United States.

After 2020, we also developed projects in Europe, together with our partner Musicland Luzern, in Switzerland, with the intention of developing the European market. Today we have 15 years of experience to amaze your audience.
